Case No. 24-cr-10024-IT

JOINT FINAL STATUS REPORT

Pursuant to Local Rule 116.5(c), the parties file this joint final status report in advance of the final status conference scheduled for July 11, 2024.

During a conference held on June 10, 2024, Judge Talwani scheduled a three-week trial to begin March 31, 2025, and excluded the time through March 31, 2025. There are zero days of non-excludable time.

The government has completed its production of automatic discovery. The defendants have not yet determined whether they will request additional discovery. The defendants expect to submit such requests, if any, by August 9, 2024.

The defendants have not yet determined whether they will file any pretrial motions pursuant to Fed. R. Crim. P. 12(b). The defendants expect to file such motions, if any, by October 11, 2024.

The parties agree that the government will provide expert disclosures no later than 45 days before trial and the defendants will provide expert disclosures no later than 21 days before trial.

The parties request that the Court transfer this case to the District Judge.

Respectfully submitted,
